We encourage you to respect your National Forest! Please Leave No Trace so future visitors can enjoy the same natural beauty you will find.

Canoe routes can be found in the National Forest outside of the Boundary Waters. The range of different canoeing experiences includes a series of lakes connected by portages, slow-moving meandering rivers, as well as more challenging and faster moving waters. On your trip, you may encounter motorized boats and developed areas.

There are no wilderness permits or fees associated with the use of these routes or campsites, and the campsites all contain firegrates and unsheltered latrines. Keep in mind that only 9 people are allowed per campsite, you will need to treat or filter drinking water, and all garbage and food leftovers must be packed out.
